

### Compatibility Table

This overview presents proven standard combinations from our product portfolio, based on typical applications in machine and plant engineering.

Slip Ring	Miniature Slip Ring	High Power Encapsulated Slip Ring	Encapsulated Ethernet Slip Ring	HD Video Slip Ring	Through-Bore Slip Ring	Through-Bore Ethernet Slip Ring	High Power Through-Bore Slip Ring	Rugged Slip Ring	High Temperature Slip Ring
<b>Rotary Union</b>									
One-Way Rotary Union, Universal					x	x	x	x	x
Multi-Channel Pneumatic Rotary Union	x	x	x	x					
Compact Multi-Channel Rotary Union	x	x	x	x					
Multi-Channel Hydraulic Rotary Union	x	x	x	x	x	x	x	x	x
Multi-Channel Water Rotary Union	x	x	x	x	x	x	x	x	x
Rugged Multi-Channel Rotary Union	x	x	x	x	x	x	x	x	x
Stainless Steel Rotary Union, Corrosion-Resistant	x	x	x	x	x	x	x	x	x
Universal Multi-Channel Rotary Union	x	x	x	x					

In addition to the listed standard combinations, we also develop custom-engineered solutions tailored to your technical requirements and installation conditions.
